

OUR SADAQA JARIYA PROJECTS IN IRAQ

Your opportunity to earn endless blessings
this Ramadan

Since its inception, Al-Ayn has curated **224 Sadaqa Jariya projects** in Iraq, dedicated to supporting orphaned children and their families through sustainable and impactful initiatives. These projects are made possible by the generosity of your Sadaqa Jariya contributions.

WHAT IS SADAQA JARIYA?

Sadaqa Jariya, meaning "continuous charity," is a powerful form of giving in Islam that offers eternal rewards. It ensures ongoing benefits for the recipients while bringing perpetual blessings to the giver—both in this life and the hereafter.

Every time someone benefits from your contribution—whether through education, healthcare, or shelter—you continue to earn endless blessings.

"When a man dies, his deeds come to an end except for three things: Sadaqa Jariya (ongoing charity), knowledge which is beneficial, or a virtuous descendant who prays for him."

Prophet Muhammad (SAWW):

VITAL MEDICAL EQUIPMENT

Located within our Luminous Stars Centres, our medical clinics are equipped with state-of-the-art technology and staffed by dedicated volunteer medics, ensuring that every child and family receives the highest standard of care.

Our clinics offer a wide range of healthcare services, from routine check-ups to emergency care, addressing both the immediate and long-term medical needs of the children under our care. The equipment provided is vital in sustaining our operations, enabling us to deliver consistent, high-quality care.

Our medical services include:

- Pharmacy
- Optometry
- Diagnostics Laboratory
- Dermatology
- Paediatrics
- Emergency Rooms (for urgent cases)

SHAJARAT TUBA COMPLEX

The Shajarat Tuba Complex, currently under construction in Karbala, stands as a symbol of hope and transformation for vulnerable orphaned children and their families. This multifaceted centre will provide essential services designed to break the cycle of poverty, heal emotional scars, and empower children for a stronger, stable future.

The Shajarat Tuba Complex will mirror the comprehensive services of our Luminous Stars Centres, delivering vital support to orphaned children and their families.

- **Financial Aid:** Guardians of orphaned children collect monthly stipends in dignified, bank-like halls to meet children's essential needs.
- **Healthcare Access:** Our advanced centres offer comprehensive care, including pharmacy, optometry, diagnostics, dermatology, paediatrics, and emergency services.
- **Psychological Support:** Tailored rehabilitation helps orphaned children process trauma and build resilience.

SAFE AND SECURE HOMES

For orphaned children, the trauma of losing a parent can be heightened by unsafe and unstable living conditions, deeply impacting their mental and physical health. A secure home provides more than just shelter—it lays the groundwork for dignity and stability.

Across Iraq, widowed mothers and their children often live in unsafe, overcrowded, or unsound conditions. Housing insecurity intensifies the challenges of poverty, affecting education, health, and overall well-being.

Al-Ayn constructs housing complexes with fully equipped units, providing families with safe, stable, and dignified living spaces to rebuild their lives.

- Al-Ayn has built over 155 homes for families in need.
- More than 400 housing units completed to create safe, vibrant communities.
- Over 350 homes repaired, ensuring safety and dignity.

LUMINOUS STARS CENTRES

Al-Ayn's largest and most ambitious project to date. We have built 11 centres across Iraq. These centres are more than just facilities—they are lifelines, transforming the lives of over 100,000 orphaned children and their families through multidimensional care.

The centres serve the following purposes:

- **Financial Aid:** Guardians of orphaned children collect monthly stipends in dignified, bank-like halls to meet children's essential needs.
- **Healthcare Access:** Our advanced centres offer comprehensive care, including pharmacy, optometry, diagnostics, dermatology, paediatrics, and emergency services.
- **Psychological Support:** Tailored rehabilitation helps orphaned children process trauma and build resilience.
- **Play Centres:** Specialised spaces assess children's psychological needs, enabling early intervention and referrals.
- **Free Children's Mall:** A safe, supportive space for children to shop for clothing and footwear.
- **Vocational Training:** Workshops empower orphaned youth and widowed mothers with skills like IT, mobile repair, cooking, sewing, and hairdressing.
